A COMMUNITY OF EXCELLENCE

At American School of Bahrain, we are dedicated to fostering global citizens, providing pathways to the world's best universities and prestigious careers. Our students are encouraged to follow their passions, respectfully challenge status quo and find innovative solutions to make the world a better place. As a part of the Esol Education family of schools, we have been delivering exceptional education in the Middle East and Europe for more than 40 years.

Welcome to American School of Bahrain

Our Commitment

"At ASB we foster relationships with students, parents and the community in order to create connections and meaningful opportunities for learning."

Founding Director*

It is my pleasure to welcome you to American School of Bahrain (ASB), a new Pre-KG to Grade 12 American international school opening on a 17-acre campus in East Riffa in September 2020. Our state-of-the-art campus, and integrated learning approach, embedded with the latest educational technology, provides an advanced learning environment that nurtures future leaders.

ASB offers a standards-based American curriculum, with the option of the IB Diploma Programme® in Grades 11 and 12.

Our Mission

Our mission is to provide a challenging American and international education that inspires students to pursue their passions, achieve their goals and become responsible global citizens.

Our Vision

To be a happy and vibrant learning community known for its love of learning, excellence in education, and service to its community and beyond.

Every student at ASB is greeted with a smile. Our commitment is to educate the whole child, and we recognize that the academic and emotional growth of each student is dependent on their happiness and confidence.

Recognizing this, at ASB we place a high priority on establishing a happy and healthy learning environment. Our students are not only academically prepared, but also maintain a healthy state of physical and emotional wellbeing. As you walk through the hallways and classrooms, you will feel the warmth and energy that is pervasive throughout the campus. We pride ourselves on keeping the smile factor high so that every child feels a sense of belonging.

At the heart of our school are outstanding international educators whose purpose it is to create a nurturing and productive atmosphere inside and outside the classroom.

At ASB, our parents are informed and involved, as partners, in every step of their child's educational journey, ensuring successful student outcomes, and balanced, happy children.
